FOR IMMEDIATE RELEASE

CALTRANS ANNOUNCES CASTILLO STREET BICYCLE DETOUR AT U.S. HIGHWAY 101 UNDERCROSSING

SANTA BARBARA – A bicycle detour around Castillo Street near US Highway 101 is now underway, Caltrans officials have announced. This detour will also allow bicycle riders the option to dismount and walk their bicycles through the US 101 Undercrossing at Castillo Street.

This signed detour will allow bicyclists to minimize the use of Castillo Street while Caltrans performs continued maintenance at this location which has been subject to wet pavement conditions. Castillo Street will remain open to all motor vehicle traffic.

Caltrans is currently working on developing an alternative solution that would restore a functional riding surface at the Castillo Street Undercrossing.

Caltrans reminds motorists to move over and slow down when driving through highway construction zones.

For more information on this project and for traffic updates on other Caltrans projects in Santa Barbara County, residents may call the District 5 toll free number at 805-568-0858 or visit our website at: <http://www.dot.ca.gov/dist05/paffairs/release.htm#>
